Has Unlimited Capacity to do all kinds of Family Sewing and Manufacharing, ITS PATENT AUTOMATIC "CUT OFF" on the hand wheel prevents the machine from running backwards, and obviates the necessity of taking the work from the machine to wind thread on the bobbins, which must be done with all other Sewing Machines, to the great annoyance of the operator, especially in tucking, bemming and ruffling. It does one-third more work in a given length of time than any other Sewing machine.

WITH EVERY MOTION of the FOOT the MACHINE MAKES SIX STITCHES. Three Wilson Machines will do as much work in one day as four other Machines. It requires no special instructions to use it; an Illustrated Direction Book is furnished with each machine.

IT CANNOT GET OUT OF ORDER, AND THE ADJUSTMENTS ARE ASSOLUTELY PERFECT. A properly executed Certificate is furnished with each machine, guaranteeing to keep it in repair, free of charge, for five years.
